

WHAT THEY'RE SAYING ABOUT THE TROUBIES...

"Some shows make us smile. Some offer a chuckle or two. Some may offer a thigh-slapping moment. But it's a rare and treasured show such as this one that makes us laugh until we drool, leaving us breathless."...*Backstage West*

"Walker and company have mastered a form of their own making...the clown company croons with comedic accomplishment. This company's quintessence (is) a largely spontaneous, brilliantly performed diversion, lighter than air, which can have 100 people wailing with laughter over a speck of a concept, caught on a breeze."...*LA Weekly*

"If you've forgotten how to laugh, Troubadour will remind you how."...*LA Times*

"...an astounding and exhausting evening of helpless laughter."...*LA Times*

"Walker and his zany troupe have the legs to take their irreverent machinations to a larger arena, perhaps even Off-Broadway."...*Daily Variety*

"Put it all together and you have the truest hallmark of any Troubadour show, an audience laughing so hard it can hardly breathe."...*LA Times*

"The Troubies are a made-in-L.A. phenomenon, with a rabid local fan base. The Troubies deserve a higher profile in the theatrical universe"...*LA City Beat*

"...Bring a change of underwear, you may wet yourself..."...*OC Register (really, they said this)*

"Hey, proprietors of larger theaters - be the first on your block. Any theater should be so lucky as to host the Troubies."...*LA City Beat*

"...fun-filled, family-friendly mélange that's part circus, part rock concert, part improv comedy show."...*LA Times*

"...the end product is likely to be the funniest thing you'll see on a local stage this year. Did I say "likely"? I flat-out guarantee it."...*OC Weekly*

"...one of the 21st century's funniest comic troupes"...*OC Weekly*

"...the weirdest and most innovative show likely to grace local theaters...."...*OC Weekly*

"...powder-faced, bubble-nosed goofballs cavorting about the stage with infectious joy"...*LA Weekly*

"...Boil 2 cups water. Add noodles, breaking up if desired. Cook 3 minutes, stirring occasionally"...*Nobody Said This*

"Troubadour has again managed to be the most hilarious show going."...*Backstage West*

"Between belly laughs and singing along, you might have difficulty breathing"...*Backstage West*

"...pure enjoyment that catches adults and small children laughing at the same jokes."...*Backstage West*

"...daring spirit, focused energy, and depth of talent."...*Showmag.com*

"Skeptics, take it from me-the Troubadour Theater Company will charm you with its refreshing vision of theatre" ...*Santa Monica Mirror*

"...funniest evening of live performance in my recorded memory" ...*Santa Monica Mirror*

"...I had a religious experience...I entered with a pinched nerve and left cured."...*Santa Monica Mirror*

"...I didn't expect this. I fell out of my seat laughing."...*Random Audience Member*

"The eclectic range of their theatre techniques is impressive but above all it's their creativity that makes a visit to their shows so invigorating. That is precisely what is lacking in theatre these days" ...*Valley Scene Magazine*

"The guffaws leave us slightly delirious" ...*LA City Beat*
